SECTION 1
Tender Documents

Sealed tenders are invited for operating, maintenance and up keeping of street lights in Zone No 1, 2, 3 & 4 of Municipal Corporation, Rohtak for a period of one year (*which can be extended yearly further for next years*) , **Bids will be received** up to 01:00 PM on **21-10-2013** in the office of Executive Engineer -I, Municipal Corporation Rohtak.

General Instructions:-

1. The tender forms, terms & conditions of the contract, general instructions to the tenderers and other relevant information can be obtained from the office of Electrical Branch, Municipal Corporation Rohtak on any working day from 9.00 AM to 5.00 PM upto last date of sale of tender which is 17.10.2013. The cost of tender document is Rs.5000/- which is non-refundable. The tender not submitted on prescribed forms and not within the prescribed time is liable to be rejected.
2. The tender should be submitted in a sealed cover subscribed as **MCR/Electrical/2013/ O&M, Up-keeping of Street Lights** so as to reach the office of Executive Engineer -I, Municipal Corporation Rohtak on or before **21-10-2013** upto **01.00 PM** and the same shall be opened on the same day at **3.00 P.M** in the presence of the bidders or their authorized representatives who may choose to be present. The separate sealed envelope containing Financial Bid and Technical Bid should be placed inside the main sealed envelope. Each envelope should be clearly subscribed as Financial Bid and Technical Bid respectively to avoid any confusion during opening.
3. The Tender document fee of Rs. 5000/-(five thousand only) is payable in form of DD, in the name of Commissioner, Municipal Corporation Rohtak.
4. The tender document is required to be submitted with an Earnest money amounting to Rs. 200000/- (Rs. Two Lacs only) for each zone in the shape of Demand Draft in favour of Commissioner, Municipal Corporation Rohtak. The earnest money of the successful bidders shall remain with the Municipal Corporation Rohtak for the entire contract period and shall not carry any interest.

5. Only those bidders with a minimum average annual turnover of Rs. **20 lacs** for the last three years shall be eligible to participate in the bidding process. The work order, payment details and a certificate from a Chartered Accountant in this regard and showing the minimum turnover shall have to be submitted with the bid.
6. The bidder must have worked for a minimum of three years with a Government/Municipal Corporation/Semi-govt. department. A satisfaction certificate for a period of three years from the concerned department must be submitted with the bid. Contractor should have experience of maintenance of atleast **5000 street light points** including MH lamps, SVP lamps and CFL etc.
7. The bidder can bid for more than one zone.
8. He is required to submit the list of its supervisors along with their complete particulars and photographs along with the bid and the bidder shall not be allowed to change the same upon award of the contract without the permission of the Commissioner, Municipal Corporation Rohtak.
9. The bidder must sign all papers and documents accompanying the tender and should also attest on all corrections in the tender as regards rates, completion period etc. Non-compliance shall result in rejection of the tender.
10. The tender should be submitted in one part. No subsequent amendment shall be considered. Conditional tenders are liable to be rejected.
11. The contractors are advised to visit the site to acquaint them fully about the work involved and the prevailing conditions before submission of tender. No claim whatsoever shall be entertained from the contractor later on for any conditions being difficult or his claim of ignorance with regard to the area and scope of work.
12. The contractors are advised to contact the Electrical Branch, Municipal Corporation Rohtak for visit to the area or any such queries and clarifications about the work involved and the prevailing conditions before submission of tender.
13. The contractor shall abide by all Labour Acts and Rules / Regulations as framed by the Govt. (amended from time to time) and the non-compliance of the same shall make the bidder liable for all the consequences arising out of the same.

14. The contractor will provide all necessary site facilities to the workmen employed by him, including all kind of safety equipments required for the job.
15. The contractor will maintain necessary records as required under labour regulations and make available the same for inspection by competent authority of Municipal Corporation Rohtak.
16. In order to cope with the obligations as per Labour Act, the contractor shall obtain workman's compensation insurance policy from an approved insurance company to cover up the risk of injury /death of the contract labour engaged by him at site if covered under act. The labour regulation shall be deemed as part of the contract and breach thereof shall be deemed as breach of contract. Accordingly the contractor will render himself for penal action for omission and commission on his part by the competent authority. The contractor will have to open EPF, GIS accounts and shall generate challan and submit the same to MCR by the 7th of each month and MCR would in turn under EPF, ESI shall not be payable to the contractor and only wages along with the service charges would be payable.
17. The EMD will be forfeited if the tenderer withdraws the tender after opening of tender and in case of a successful tenderer, if the tenderer fails within the specified time limit to sign the agreement.
18. The contractor shall confirm acceptance of all general instructions and terms & conditions of the contract supplied as part of tender documents.
19. Commissioner, MCR reserves the right to reject any or all the tenders without assigning any reason.

SECTION 3

CONDITIONS OF CONTRACT:-

1.0 INSTRUCTIONS:-

- 1.1 Municipal Corporation Rohtak intends to hire the services of an established & experienced agency for operating, maintenance and up keeping of street lights in Zone No 1, 2, 3 & 4 of Municipal Corporation, Rohtak for a period of one year i.e. 22-10-13 to 22-10-14(*which can be extended yearly for further next years with the approval of Ld. Commissioner Municipal Corporation Rohtak after analysis of performance of the agency*)

2.0 DEFINITIONS OF TERMS:-

- 2.1 Definition & meaning of various terms and expression used in contract document are given at Annexure-1 enclosed herein.

3.0 SCOPE OF WORK:-

- 3.1 All Tool and Plants including ladders and all electrical items like P.V.C. cable, armoured and unarmoured cable(underground/overhead), choke, ignitor, lamp, MCB, fittings, fitting lamp cover ,timer switch, MCCB, contactors etc. required for maintenance of street light will be arranged by the agency at his own cost and same will not be supplied by the Municipal Corporation Rohtak.
- 3.2 The contractor should show the advance stock of all electrical items sufficient for one month maintenance as said above to A.E.(electrical) and these material should be of ISI marked firms like Havells ,Phillips, Surya ,Bajaj Crompton greaves, Polycabs etc. Failure which, a penalty will be imposed on the contractor @ 5% of the monthly bill.
- 3.3 If any street light fitting misplaced due to any reason, it is the responsibility of the contractor to erect the same on his expenditure. If, the contractor fails to do so, that point will be counted in the list of faulty street light points and penalty will be effective accordingly.
- 3.4 MCR will not be responsible for any Mechanical / Electrical accident to the workmen of contractor during the Mtc of street light and no compensation will be payable on this account and it is contractor's responsibility to get his labour insured on all account. It will be the

responsibility of the maintenance contractor, to mark every street light area wise with yellow enamel base in black numbering and list of the street light area wise will be handed over to the Electrical Branch within one month from the award of work. No. payment will be made on this account to the maintenance contractor and the first month payment will be made as per the street light point numbered in Municipal Corporation Rohtak.

3.6 During the maintenance of the street light, if any type of hazard occurred with public or anything relates to the public man, the contractor will be responsible for that hazard. If any recovery generates, it will be liability of the contractor.

3.7 Timing for Street light ON/OFF :

a. For summers:

a1: Street light should be **switched on** from 7:00 PM to 7:45 PM.

a2: Street light should be **switched off** from 5:00 AM to 5:45 AM

b. For winters:

b1: Street light should be **switched on** from 5:30 PM to 6:15 PM.

b2: Street light should be **switched off** from 6:00 AM to 6:45 AM

If timing of street light on/ off is not followed then those street light points will be counted in faulty points list and penalty will be effective accordingly. Timing can be changed by electrical branch accordingly to weather conditions/requirement.

3.8 The contractor should do all the electrical arrangements in the all functions which will be organised by the Municipal Corporation Rohtak and contractor will also attend the electrical complaints of Municipal Corporation Rohtak buildings. No extra payment will be made to the contractor in this account, however the material will be supplied by the Municipal Corporation Rohtak.

3.9 Any new street light fitting point installed by the MCR during the contract period will be handed over to the agency and the same shall be required to be maintained on the same rate, term & conditions of the contract. Payment will be made to the contractor after 3 months of handing over such new points.

- 3.10 Repair of High Masts will be made by the contractor at different areas/ villages under MCR. The contractor will not be paid any extra amount on account of transportation etc. The timing of the High Mast light will be changed by contractor according to the season, as mentioned above.
- 3.11 The contractor shall provide an employee for registering the complaints at complaint centre ward wise also. He will resolve these complaints immediately by his team and same will be reported to Electrical Branch of Municipal Corporation Rohtak at every third day. He will also resolve all complaints, which will be told to him telephonically by Electrical Branch of Municipal Corporation Rohtak.
- 3.12 The agency/ Contractor will be required to deploy qualified staff for this work as required by Chief Electrical Inspector, Haryana UHBVNL/ DHBVNL and relevant I.E. Rules etc and having license from Chief Electrical Inspector. The attendance of the maintenance staff employed by the contractor, area wise will be reported to J.E. in charge daily. The contractor should submit the name and Mob. No. of the maintenance staff employed by the contractor, area wise so that the staff can be contacted during emergency.
- 3.13 The contractor will have to get the street light covers clean from inside when and where it is required from his maintenance staff. Pole shall be painted after every Six month where required. No Extra payment will be made for this.
- 3.14 The contractor will apply the electricity energy meters on behalf of MCR to UHBVNL for street light however expenditure will be meet out by the MCR Office. Further it is also intimated that the maintenance contractor will collect the electricity bill from UHBVNL of their allotted maintenance area and same may be submitted to concern executive engineer after all documentation done by Municipal Corporation Rohtak for payment purpose. All bills reading should be checked at site with Light inspector. All meter readings should be taken by contractor in first week of the month and electrical meters should also be maintained by contractor himself.
- 3.15 If any electrical problem arises, the contractor will himself solve that problem with UHBVNL deptt. and same will be reported to the Electrical Branch, Municipal Corporation Rohtak in writing.
- 3.16 The successful tenders will produce the proof of having in his possession sufficient no. of Tilttable Aluminium Tower Ladder/ Hydraulic Ladder per zone before taking the system in hand.
- 3.17 The contractor should take over the system immediately after the award of contract in same condition. The contractor should repair the system by his own expenditure. All street light fittings and other material should be handed

over to the MCR after contract period in good working condition otherwise the security deposited by contractor will be forfeited.

- 3.18 The contractor should maintain the street light fitting clean and in proper position otherwise those points will be counted in the list of faulty points and penalty will be effective accordingly.
- 3.19 The works shall have to be executed in such manner that the public at large and the officials of MCR as well as the concerned Elected Ward Members are fully satisfied.
- 3.20 The scope of the work may increase or decrease at same terms & condition ,rates, at any time.

4.0 NOTIFICATION OF AWARD:-

- 4.1 The notification of Award of contract/ issue of brief letter of award to be followed by the detailed letter of award will constitute the formation of the contract.
- 4.2 The detailed letter of award issued by MCR shall incorporate all the terms and conditions of contract. The copy of letter of award (LOA) shall be returned by contractor after signing on each page of LOA.

5.0 Period of Contract:-

- 1.2 The period of contract for the work shall be for a period of one year (*which can be extended yearly for further next years*) from the date of award. In case work is found unsatisfactory during the period, then the contract will be terminated and the security deposit shall be forfeited.

The contract can, however be terminated by the MCR at any time by giving 15 days' notice if the quality of the services is found unsatisfactory or for such other reason, as Court orders, Government policy or any other reason which to the satisfaction of the Commissioner, MCR is sufficient to terminate the contract.

7.0 Payments and Penalties

The payment of the contract agreed to, shall be made to the contractor on the basis of the monthly bills raised by him and duly supported with vouchers verified by the Electrical Branch or an official duly authorized for the purpose by the Municipal Corporation Rohtak after statutory

deductions. The contractor shall provide PAN for the purpose.

The contractor shall ensure payment to the employees engaged by him directly in their bank accounts by the 7th of each month and the payment shall not be less than the prevalent DC rate.

The contractor shall also ensure that all statutory dues such as EPF/ESI etc. as applicable to such staff under any law, rule or Notification of the Govt. of India/State Govt. are paid and the contractor shall solely be liable/ responsible for the same. The contractor shall submit a copy of the document depicting the payment of all statutory dues such as EPF/ESI etc. as applicable along with the monthly bill raised by him, to the Municipal Corporation Rohtak.

The contractor shall submit a copy of the bank account statement duly signed/stamped by the bank and certifying that all salary of the employees has been paid directly in their bank accounts, to the Municipal Corporation Rohtak, by the 7th of the succeeding month and further certifying that wages and statutory dues required to be paid to the staff for the preceding month have been paid.

The amount of fine or penalty imposed upon the contractor shall be adjusted in the monthly bills and the same shall be duly deducted before bills are finally cleared. MCR or any other persons authorized in this behalf shall be at liberty to carry out check on the persons deployed by the contractor in order to ensure that required numbers of persons are deployed and they are doing their duties properly. It will be the responsibility of the contractor to have full attendance of the employees and to keep the zone area fully luminous. At the time of inspection by representatives of MCR, if street lights are not found to be functional to the satisfaction of such representatives of MCR then the contractor will be liable for punishment in the shape of fine as detailed below:-

- (a) In case of non-attending employees, where the absence has been so declared by the contractor, the fine equivalent to 1.5 times of the prevalent DC rate shall be imposed on the contractor per person absent from work.
- (b) In case, during the inspection by the Officials of MC, if any employee is found absent, under such circumstance, fine equivalent

to 2 times of the prevalent DC rate shall be imposed on the contractor per person found absent from work.

(c) Payment will be made as per the joint inspection done with the contractor at any time in night in any area of MCR in their respective zone and the performance criteria will be the same , as follows:

- i. For main road, Street lights should be **97% luminous**.
(Details of the main road with stretch can be taken from Electrical Branch of Municipal Corporation Rohtak)
 - a. If Street lights found luminous between 96% to 97% penalty will be made @ 5% of monthly bill.
 - b. If Street lights found luminous less than 96% plenty will be made @ 15% of monthly bill.
- ii. For Colonies, Street lights should be **96% luminous**.
 - a. If Street lights found luminous between 96%- 95% plenty will be made @ 5% of monthly bill.
 - b. If street lights found luminous less than 95% plenty will be made @ 15% of monthly bill.

(d) Improper handling of street light fittings and other electrical items penalty will be imposed @ 5% of the monthly bill.

8.0 In case of any complaint regarding improper work and behaviour of the staff of the contractor, the decision of the Commissioner, Municipal Corporation Rohtak shall be final and binding.

10.0 The contractor shall be solely responsible for payment of service tax etc. or any other tax levied by the State/Centre Govt. if any and shall maintain adequate and proper accounts for inspection by any authority in this regard. Failure to do so shall be deemed to be a violation of the terms and conditions of contract, which may lead to termination of the contract and forfeiture of security as may be deemed appropriate by Municipal Corporation Rohtak.

12.0 In case of any violation of any clause of the contract, the Municipal Corporation Rohtak will be empowered to forfeit the amount of security deposited by the contractor.

- 13.0 Any disputes or differences arising out of the agreement between the parties the matter shall be referred to the sole arbitration of Commissioner, Municipal Corporation Rohtak. The decision of arbitrator shall be final and binding on both the parties. The place of arbitration in all circumstances would be at Rohtak and as communicated by the Commissioner, Municipal Corporation Rohtak.
- 14.0 The Municipal Corporation Rohtak shall have exclusive power to terminate the contract any time after serving 15 days' notice in case of violation of any terms and conditions of this agreement by the contractor or the work is found to be unsatisfactory. Municipal Corporation Rohtak shall have also the power to forfeit security deposit and to impose penalty upon the contractor in the above mentioned circumstances.
